CASE NO. 2:13-cv-00888-JCM-VCF

**AFFIDAVIT OF BRIAN K.
 TERRY, ESQ.**

STATE OF NEVADA)
 (ss:
 COUNTY OF CLARK)

I, BRIAN K. TERRY, ESQ., do hereby swear under penalty of perjury that the
 following assertions are true to the best of my knowledge and belief:

1. I am an attorney licensed to practice law in the United States District Court in
 the District of Nevada and in the courts of the State of Nevada since 1987, and offer the

1 following statements in support of the Motion For Attorney Fees brought by Defendants
2 IFRAH PLLC and ALAIN JEFF IFRAH a/k/a JEFF IFRAH (incorrectly named ALAIN JEFFERY
3 IFRAH in the dismissed lawsuit) against Plaintiff CHAD ELIE in the above-captioned matter.
4

5 2. I am fully familiar with the facts of this case and the attorney fees incurred in
6 the defense of Defendants that were charged by Thorndal, Armstrong, Delk, Balkenbush &
7 Eisinger ("Thorndal Armstrong").
8

9 3. I am the lead attorney for Defendants in this matter. I have reviewed the
10 itemization and documentation of the fees and costs claimed by Thorndal Armstrong, which
11 are attached to Defendants' Motion For Attorney Fees and Costs and Bill of Costs, and can
12 attest that the fees sought, which amount to \$37,068.50, and costs, which amount to \$849.40
13 (\$424.70 in taxable costs and \$424.70 in non-taxable costs), were actually and necessarily
14 incurred and reasonable under the circumstances of this lawsuit.
15

16 4. I adopt and incorporate by reference herein, the points and authorities in
17 support of Defendants' Motion for Attorney Fees, as if fully stated herein. They are true to
18 the best of my knowledge and belief.
19

20 5. I am a shareholder at Thorndal, Armstrong, Delk, Balkenbush & Eisinger, and
21 have served as lead counsel for Defendants and supervised all work performed on this
22 matter.
23

24 6. I have tried numerous high-value professional malpractice cases as well as
25 other liability and commercial matters.
26

27 7. Based upon my dealings with other attorneys, my years of practice, my 25-
28 years of trial experience in applicable area of law, and the value of cases I handle, I am aware

1 that the rate of \$170 per hour I am billing in this case is not only very reasonable, it is far
2 below what would typically charged for the type of work performed for similar litigation.
3

4 8. I supervised the work of associates Kenneth R. Lund, Esq.; Brandon R. Price,
5 Esq.; Meghan M. Goodwin, Esq.; and law clerk Matthew Winters and to the best of my
6 knowledge and belief, the work they performed matches their billings and generated the
7 work-product set forth in the invoices.
8

9 9. The associate billing rate of \$155 per hour is not only very reasonable, it is far
10 below what would typically charged for the type of work performed for similar litigation,
11 particularly for senior associate Kenneth R. Lund, Esq., the senior associate who performed
12 the majority of work in this matter.
13

14 10. I billed 33.7 hours for relevant work in this matter. Mr. Lund billed 184.6
15 hours of work on this matter. Mr. Price performed 13.9 hours of work on this matter. Ms.
16 Goodwin provided 3.8 hours of work on this matter. Mr. Winters provided 1.4 hours of
17 work at the law clerk rate of \$80 per hour.
18

19 11. This case required substantial document review and review of the pleadings
20 and papers in other cases throughout the United States. Our client provided abundant
21 materials requiring careful review.
22

23 12. This matter required research into numerous areas of law, many in cutting-
24 edge fields, including internet gaming law, banking regulation, internet marketing, federal
25 trade regulation, legal malpractice, contracts, and white collar crime. Although the basis for
26 dismissing Plaintiff's groundless lawsuit was straightforward, undertaking reasonable due
27
28

1 diligence on the underlying facts of the case required substantial legal research and
2 investigation.

3
4 13. Because of the research and investigation involved, the 237.4 hours incurred
5 in this case were reasonable given the complexity of the underlying facts and law.

6 14. The nature of this case required it be assigned to experienced and competent
7 defense counsel. The alleged recovery sought by Plaintiff was substantial and, upon
8 information and belief, exceeded \$4 Million. Due to the facts and circumstances of the
9 underlying cases and alleged transactions, this case required not only a background in legal
10 malpractice representation, but many other areas of law as well. I and the other employees at
11 Thorndal Armstrong, when representing Defendants in this matter, are long-term,
12 experienced Nevada litigators who have the quality and experience, professional standing
13 and skill necessary to provide this kind of representation.

CASE NO. 2:13-cv-00888-JCM-VCF

AFFIDAVIT OF KENNETH R.
LUND, ESQ.

24 STATE OF NEVADA)
25 (ss:
26 COUNTY OF CLARK)

27 I, KENNETH R. LUND, ESQ., do hereby swear under penalty of perjury that the
28 following assertions are true to the best of my knowledge and belief:

1. I am an attorney licensed to practice law in the United States District Court in
the District of Nevada since 2008 and in the courts of the State of Nevada since 2006, and

1 offer the following statements in support of the Motion For Attorney Fees brought by
2 Defendants IFRAH PLLC and ALAIN JEFF IFRAH a/k/a JEFF IFRAH (incorrectly named
3 ALAIN JEFFERY IFRAH in the dismissed lawsuit) against Plaintiff CHAD ELIE in the above-
4 captioned matter.
5

6 2. I am fully familiar with the facts of this case and the attorney fees and costs
7 incurred in the defense of Defendants that were charged by Thorndal, Armstrong, Delk,
8 Balkenbush & Eisinger ("Thorndal Armstrong").
9

10 3. I was asked by lead attorney Brian K. Terry, Esq. to serve as the lead associate
11 for Defendants in this matter. I have reviewed the itemization and documentation of the
12 fees and costs claimed by Thorndal Armstrong, which are attached to Defendants' Motion
13 For Attorney Fees and Bill of Costs, and can attest that the fees sought, which amount to
14 \$37,068.50, and costs, which amount to \$849.40, were actually and necessarily incurred and
15 reasonable under the circumstances of this lawsuit.
16
17

18 4. I adopt and incorporate by reference herein, the points and authorities in
19 support of Defendants' Motion for Attorney Fees, as if fully stated herein. They are true to
20 the best of my knowledge and belief.
21

22 5. I am a senior associate at Thorndal, Armstrong, Delk, Balkenbush & Eisinger,
23 and conducted the majority of investigation, research, document review, and analysis
24 required by this case. Under Brian K. Terry's supervision, I drafted the motion to dismiss
25 and the reply in support of the motion.
26

27 6. I performed 184.6 hours on this matter for which Defendants seek recovery in
28 this lawsuit.

1 7. Upon information and belief, my hourly rate of \$155 per hour is reasonable
2 when considering my applicable qualifications, education, and experience. I have been an
3 associate at Thorndal Armstrong for five-and-a-half years (after completing a two-year
4 clerkship with a trial judge and law school at the S.J. Quinney College of Law at the
5 University of Utah). Like lead counsel Brian K. Terry, I have received an AV® Preeminent
6 rating from Martindale Hubbell's peer review program.
7
8

9 8. Given the seven-figure recovery sought by Plaintiff and the complex areas of
10 law relevant to the underlying facts and legal proceedings, including internet gaming, banking
11 regulation, internet marketing, federal trade regulation, legal malpractice, contracts, and white
12 collar crime, it is my understanding from my familiarity with associate practitioners in those
13 fields that my rates are below what would typically be charged for the type of work
14 performed for similar litigation.
15

16 9. Likewise, as lead associate, I coordinated research assignments with associates
17 Meghan M. Goodwin, Esq.; Brandon R. Price, Esq.; and law clerk Matthew Winters. Mr.
18 Price performed 13.9 hours of work on this matter at the associate rate of \$155 per hour.
19 Ms. Goodwin likewise provided 3.8 hours of work on this matter at the associate rate. Mr.
20 Winters provided 1.4 hours of work at the law clerk rate of \$80 per hour. I know they
21 actually performed this work because I received and reviewed their work product. Their
22 hourly rates are likewise reasonable or below what would typically be charged for the type of
23 work performed for similar litigation.
24
25
26
27
28

1 10. This case required substantial document review and review of the pleadings
2 and papers in other cases throughout the United States. Additionally, our client provided
3 abundant materials requiring careful review and we found substantial additional materials
4 from PACER, the internet, and other sources.

6 11. This matter required research into numerous areas of law, many in dynamic,
7 cutting-edge fields. Although the basis for dismissing Plaintiff's groundless lawsuit was
8 straightforward, undertaking reasonable due diligence on the underlying facts of the case
9 required substantial legal research and investigation.

11 12. Because of the research and investigation involved, the 237.4 hours incurred
12 in this case by Mr. Terry, myself, and the other associates was reasonable given the
13 complexity of the underlying facts and law.

15 13. The \$3.50 filing fee dated May 22, 2013 found on Page 58 of Exhibit C to
16 Defendants' motion for attorney fees in the Eighth Judicial District Court for filing the
17 notice of removal is taxable under Local Rule 54-2.

19 14. The \$400.00 filing fee dated May 24, 2013 found on Page 58 of Exhibit C to
20 Defendants' motion for attorney fees in the Eighth Judicial District Court for removal to
21 this Court is taxable under Local Rule 54-2.

23 15. Defendants made copies of 51 pages of exhibits for its reply in support of its
24 motion to dismiss, 110 pages of exhibits for their motion to dismiss, and 50 pages of
25 exhibits attached to their petition for removal, each at a rate of \$.10 per page for a total of
26 \$21.20. This copying expense is taxable under Local Rule 54-6.

1 16. The remaining photocopy expenses of \$364.80 is non-taxable, but is
2 reasonable given the volume of documents necessary to review in this case and should be
3 recovered under Local Rule 54-16(b)(2).
4

5 17. Likewise, because the underlying subject matter in this case involved federal
6 cases in Utah, New York, and Florida, among other places, counsel was forced to incur at
7 least \$59.90 in PACER fees. Although this amount is non-taxable, it is perfectly reasonable
8 given the circumstances and should be recovered under Local Rule 54-16(b)(2).
9

10 18. As of the moment of executing this affidavit, I have performed an additional
11 30.4 hours of work which has not yet been billed on this matter at a rate of \$155 per hour,
12 for a total additional amount of \$4,712.00. This work includes reviewing this Court's order,
13 reviewing fees and costs in this matter, reviewing billing records for privileged material,
14 preparing Defendants' Motion for Attorney Fees and its accompanying exhibits, preparing a
15 bill of costs, and other work on this case. There will be additional billing on this case by
16 myself, Brian K. Terry, and possibly others, including time spent reviewing Plaintiff's
17 opposition and preparing a reply. Therefore, we intend to supplement the amount sought in
18 Defendants' reply brief.
19
20
21

22 19. Counsel's efforts in this case led to a good result. This Honorable Court found
23 in favor of the arguments of Defendants and granted a dismissal on this matter on February
24 10, 2014.
